Letter No. 2753/54-5 of 8-10-54 from the chairman, Bangalore Trust Board regarding appointment of process servers for the recovery of arrears of site value..

1) Submitted for perusal. For reasons stated, the chairman requests sanction to appoint two process servers in grade Rs 20-1-30 plus Rs 10/- pm each to collect arrears of site value. It is reported that the arrears of outstanding amounts to Rs 5,11,000. They are proposed to be appointed till the end of March, 55.

2) At the meeting held in the chambers of the secy. Fin & planning depts on 16-6-54, (when the progress of the schemes undertaken by the T.B was reviewed), it was tentatively decided as follows:—

"strenuous efforts should be made to collect arrears due from the allottees of sites in all extensions and if necessary, a Revenue Inspector may be appointed for this work"

3) It is not known whether the chairman would also send proposals to appoint a Revenue Inspector, after sanction is accorded

3 appoint Process Servers. If the ~~Commissioner~~ Chairman takes action as limited under bye-laws governing the grant of sites, to cancel the allotment of sites, ~~and~~ forfeit the amount and re-allot to others who are in dire need of it and who agree to pay the entire site value, there is perhaps no necessity to appoint Process Servers. How far the appointment of Process Servers would influence matters is also doubtful. As formed in every case, the Board proposes to appoint additional staff for a short period and then continue it indefinitely: ~~so the~~

4) The proposal to appoint two Process Servers ~~is~~ upto the end of March 55 is for orders. But the Chairman may perhaps be requested to see that in the case of defaulters, the allotment made may be cancelled if they fail to credit the balance within one month from the date of notice and that no more chances are given for such people. He may also be requested to allot sites thus released to such people as are willing to pay the full value with the application as there is demand for sites

in blocks I, II, III and VI of Tyagaraya Nagar and more in other extensions like Kumaran Park, Vyalikaval, Wilson garden and Sankaranakelli extensions. Then alone the Trust Board may perhaps achieve good results in the collection of arrears.

5) The proposals in para 4 in the preceding page are for servers.

20/10.

6) The proposal of the Chairman is the result of discussions the Chairman had with the Secretary. The appointment of two process servers was considered to be very urgent because, the addresses have to be served with notices of demand, or attachment or cancellation. When the Tr Bd has to recover several lakhs of Rupees, we must not grudge the appointments of two Process Severs up to the end of March 1955. The proposal of the Chairman may be appd

**GOVERNMENT OF MYSORE**

OFFICE OF

The Chairman, City Improvement Trust Board, Bangalore.

Date 23rd September 1954.

To

The Secretary to Government,
Local Self Government and Planning Departments,
Bangalore.

Sir,

Subject:- Appointment of Process Servers for the recovery of site value.

I write to state that the allottees of sites are not as earnest to remit the value of sites as they are to acquire them and in no case the amounts are paid without repeated pressure. Consequently in about 470 cases the amount of arrears outstanding comes to about Rs.5,11,000/-.

In addition to the above a number of sites are being allotted in the near future. The question of collecting the arrears of site value due from the allottees and also to recover the site - - values that are going to be allotted in future within the time allowed for payment in the bye-laws was examined in detail by the Board in its meeting held on 14-8-54 and it was resolved that two Process Servers on a pay of Rs.20-1-30 with a C.A. of Rs.10/- each per mensem with the normal Dearness Allowance be appointed for the period up to end of March 1955 for the purpose of serving the Demand Notices on the allottees, delivery of allotment intimations reminders and possession certificates. The cost to the Board on this account will be Rs.1347/- during the year and this will be met out of the savings under establishment charges for the year 1954-55.

I request you to kindly obtain and communicate early orders of Government for the appointment of the two Process Servers referred to above.

Yours faithfully,

(R. Madhavan)
Chairman.
